

CSR Projects approved by the Board

FY 2019- 20 – Confederation of Indian Industry (CII Foundation)

Brief description of the project

Overall objective of We SURE Program is to implement strategies that will stabilize/ improve water resource scenario in villages of Aurangabad district and thereby enhance income, impacting lives and livelihoods. In 2019-2020, the programme will focus on soil and moisture conservation, and generating livelihood opportunities such as horticulture, sericulture, and promotion of greenhouses and develop skills of the youth to help them secure higher remuneration. Sericulture training has been provided and now the progress of the farmers will be seen with this alternative.
