EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013, THE RULES MADE THEREUNDER, AS APPLICABLE, AND THE SECRETARIAL STANDARDS ON GENERAL MEETINGS (SS-2)

Item No. 4

Based on the recommendation of Nomination and Remuneration Committee, the Board of Directors of the Company ("Board") at its meeting held on May 29, 2025 had appointed Ms. Sabina Bhavnani (DIN: 06553087) as Additional Director in the category of Non-Executive. Independent Director of the Company for a term of 5 (Five) years effective from May 30, 2025 not liable to retire by rotation, subject to approval of the Members of the Company.

In the opinion of the Board of Directors of the Company, Ms. Sabina Bhavnani possesses all the conditions for appointment of Independent Director as specified in Section 149(6) of the Companies Act, 2013 and is independent of the management.

The Company has received a notice in writing from her, proposing her candidature for the office of the Non-Executive Independent Director of the Company.

The Company has received from Ms. Sabina Bhavnani (DIN - 06553087):

- (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014;
- (ii) Intimation in Form DIR-8 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that she is not disqualified under Section 164(2) of the Companies Act, 2013, confirming her eligibility for such appointment, and;
- (iii) Declaration to the effect that she meets all the criteria under Section 149 (6) of the Companies Act, 2013.

Considering her professional background and experience, the NRC formed an opinion that she is a person of integrity and possess relevant expertise, proficiency and experience and the association of Ms. Sabina Bhavnani would be beneficial to the Company, and it is desirable to appoint her as an Independent Director for a term of 5 (Five) consecutive years with effect from May 30, 2025 to May 29, 2030 (both days inclusive).

Ms. Sabina Bhavnani would be entitled to receive sitting fees for attending the Meetings of the Board of Directors and Committees thereof, re-imbursement for expenses incurred in connection with attending Board/ Committee meetings and as may be approved by the NRC and the Board within the limits approved by the Board of the Company from time to time, as permitted by law.

Copy of the draft letter of appointment of Ms. Sabina Bhavnani would be available for inspection without any fee by the members at the Registered Office of the Company between 10:00 am and 6:00 pm on all working days till the date of Annual General Meeting.

The details of Ms. Sabina Bhavnani as required under the provisions of Secretarial Standard-2 of ICSI and other applicable provisions are provided in Annexure 1 to this Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives except Ms. Sabina Bhavnani is, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of the Notice.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the Members.

Item No. 2, 4 and 5:

Vm /

a meneral hab

5.	Mr. Sekhar	Srinivasan	Mosur	(DIN	Non-Executive Independent Director
	10521491)				

During the financial year under review, Mr. Neil Percy Francisco (DIN: 08503971) and Mr. Siddhartha Sengupta (DIN: 08467648) ceased to be Independent Directors of the Company owing to completion of their second consecutive term as Independent Directors with effect from (w.e.f.) September 05, 2024.

Mr. Dhananjaya Tambe (DIN: 07260971) and Mr. Sekhar Srinivasan Mosur (DIN: 10521491) were appointed as Additional Non-Executive Independent Directors of the Company w.e.f. September 01, 2024. Further, the shareholders of the Company had approved the appointment of Mr. Dhananjaya Tambe (DIN: 07260971) and Mr. Sekhar Srinivasan Mosur (DIN: 10521491) for a term of 5 (Five) consecutive years with effect from September 1, 2024 to August 31, 2029 (both days inclusive) and are not liable to retire by rotation.

Ms. Zarin Daruwala has resigned from the position of Non-Executive Director and Chairperson of the Company w.e.f. April 01, 2025.

(A) DIRECTOR(S) LIABLE TO RETIRE BY ROTATION

In accordance with Section 152 of the Act read along with the Companies (Appointment and Qualification of Directors) Rules, 2014, unless the Articles of Association provide for retirement of all directors at every AGM, not less than two - third of the total number of directors of a public company (excluding the Independent Directors) shall be persons whose period of office is liable to determination by retirement of directors by rotation, of which one-third are liable to retire by rotation. Accordingly, Mr. Sachin Shah, Non-Executive Director retires by rotation at the ensuing Annual General Meeting and, being eligible, offers himself for re-appointment.

(B) KEY MANAGERIAL PERSONNEL

In terms of section 203 of the Act and applicable provisions of the Listing Regulations, the Board has appointed:

- (i) Mr. Nirmal Kishore as Managing Director and Chief Executive Officer;
- (ii) Mr. Vishal Jhalani as the Chief Financial Officer of the Company.
- (iii) Ms. Richa Shah as the Company Secretary and Compliance Officer of the Company;

During the year under review, Mr. Giriraj Singhi resigned as Chief Financial Officer of the Company as on June 30, 2024 and Mr. Vishal Jhalani was appointed as Chief Financial Officer effective July 1, 2024.

DECLARATION OF INDEPENDENCE AND DISCLOSURES RECEIVED FROM DIRECTORS

The Company has received declarations from all its Independent Directors, confirming that they meet the criteria of independence as prescribed under section 149(6) of the Act. In the opinion of the Board, the Independent Directors appointed during the year under review, are persons with integrity and possess requisite experience, expertise and proficiency required under applicable laws and the policies of the Company. The terms and conditions of appointment of Independent Directors are available on the website of the Company at www.sccapital.in/Disclosures-under-Regulation-62.

Based on the declarations and confirmations received in terms of the applicable provisions of the Act, regulations of SEBI, directions issued by Reserve Bank of India read with circulars, notifications, directions issued and other applicable laws (as amended from time to time), none of the Directors of your Company are disqualified from being appointed as Directors of the Company.

FIT AND PROPER CRITERIA AND CODE OF CONDUCT

All the Directors meet the fit and proper criteria stipulated by Reserve Bank of India. All the Directors and Senior Management of the Company have affirmed compliance with the Code of Conduct of the Company.

PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND DIRECTORS

Pursuant to schedule IV, Section 178 and other applicable provisions of the Act read with applicable regulations of the Listing Regulations, the Board has carried out an annual performance evaluation of its own performance, the Directors individually as well as its Committees. Evaluation of performance of all Directors is undertaken annually. The Company had appointed an independent external agency to carry out the performance evaluation of the Board, its Committees and Directors for the FY 2025.

Based on the report issued by the external agency, performance evaluation framework of the Company is carried out as stated below:

- (i) The Board evaluated the performance of the Independent Directors, Board as a whole and Committees of the Board excluding the Director being evaluated;
- (ii) Independent Directors would evaluate the performance of the Chairperson of the Company after taking views of Executive Directors, Non-Executive Directors and Board as a whole:
- (iii) Self-evaluation of individual Directors.

A structured questionnaire designed for the performance evaluation of the Board, its Committees, Chairperson and individual directors and in accordance with the criteria set and covering various aspects of performance including structure of the board, meetings of the board, functions of the board, role and responsibilities of the board, governance and compliance, director competency, board procedures, processes, functioning and effectiveness was circulated to all the Directors of the Company for the annual performance evaluation via the Independent Audit, Thinking Board Tool. Based on the assessment of the responses received to the questionnaires from the directors on the annual evaluation of the Board, its Committees, the Chairman and the individual Directors, a summary of the Board Evaluation was placed before the meeting of the Nomination and Remuneration Committee meeting and the Board meeting for its consideration. The Directors have expressed their satisfaction with the evaluation process.

India (Non-Banking Financial Company - Scale Based Regulation) Directions, 2023.

The aforesaid Corporate Governance Report is annexed as Annexure II.

NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

The details about the Board and its committees including its constitution, number of meetings held, attendance, etc. are given in the Report on Corporate Governance annexed as **Annexure II** which forms part of this Board's Report.

WHISTLE BLOWER/ VIGIL MECHANISM

The Company has a structured Vigil Mechanism Framework in terms of the provisions of Section 177(9) of the Act and Prevention of Insider Trading Regulations, which reflects the Company's commitment to principles of integrity, transparency, and fairness and motivates and guides directors and employees of the Company to report any wrongdoing, unethical or improper practice without any fear of retaliation. The Code of Conduct of the Standard Chartered Group is also adopted by the Company which all employees are expected to observe in their business dealings. The Company has adopted a Speak Up Policy, as part of vigil mechanism to provide appropriate avenues to the Directors and employees to bring to the attention of the management any issue which is perceived to be in violation of or in conflict with the fundamental business principles of the Company.

The Vigil Mechanism Policy has been placed on the website of the Company at https://www.sccapital.in/disclosures-under-regulation-62-of-lodr/codes-and-policies. This vigil mechanism of the Company is overseen by the Audit Committee. The Audit Committee of the Board reviews the complaints received and resolution thereof under the said policy. It is hereby affirmed that the company has not denied any of its personnel, access to the Chairman of the Audit Committee.

During the year under review, the Company has received 2 whistleblower complaints.

POLICY ON DIRECTORS' APPOINTMENT, REMUNERATION AND CRITERIA FOR APPOINTMENT

Pursuant to the guidelines issued by Reserve Bank of India ('RBI') on Compensation of Key Management Personnel ('KMP') and senior management dated April 29, 2022 and in terms of section 178 of the Act, the Company has in place an Appointment and Remuneration Policy.

The Company's Remuneration Policy is directed towards rewarding performance based on review of achievements periodically. The remuneration policy is in consonance with the existing industry practice.

The Company's Remuneration Policy for Directors, Key Managerial Personnel and other employees is annexed as **Annexure III** to the Directors' Report.

In terms of section 197 of the Act read with rule 5(2) and rule 5(3) of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the statement relating to particulars of employees of the Company is available for inspection by the members at the registered office of the Company during business hours on working days.

ANNEXURE - I

ANNUAL REPORT ON CSR ACTIVITIES TO BE INCLUDED IN THE BOARD'S REPORT FOR FINANCIAL YEAR 2024-25

1. Brief outline on CSR Policy of the Company:

In keeping with Standard Chartered's "Here for good brand identity", the Company encourages its employees to help their local communities develop by contributing their knowledge, skills and talents. The main objective of this policy is to lay down guidelines for the company to promote the social and economic well-being of communities and to support sustainable development in our markets. It covers current / proposed CSR activities to be undertaken by the company and assesses its alignment with Schedule VII of the Companies Act, 2013 as amended from time to time. It covers the roadmap for future CSR activities of the company. Our community investment strategy focuses on health, water and sanitation, education, employability and entrepreneurship. We have a specific focus on people from local income households, especially girls and young women, and visually impaired young people.

For details of the CSR Policy along with projects and programs, kindly refer to: https://sccapital.in/disclosures-under-regulation-62-of-the-lodr.html

(vi) Inter - se relationships amongst any Directors.

None of the Directors of the Company are inter – se related to each other.

Committees of the Board and their composition

The Committees of the Board are set up by the Board and are governed by its terms of reference which exhibit the scope, composition, tenure, functioning and reporting parameters. The Board Committees play a crucial role in the governance structure of the Company and they deal with specific areas of concern for the Company that need a closer review. The Committees operate under the direct supervision of the Board, and Chairpersons of the respective Committees report to the Board about the deliberations and decisions taken by the Committees. The recommendations of the Committees are submitted to the Board for approval. The minutes of the meetings of all Committees of the Board are placed before the Board for noting.

The Board has constituted Committees with specific terms of reference to focus on specific areas. These include the Audit Committee, the Nomination and Remuneration Committee, Corporate Social Responsibility Committee and Borrowing Committee.

FORM NO. MR.3 SECRETARIAL AUDIT REPORT

for the Financial Year ended March 31, 2025 [Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, Standard Chartered Capital Limited Floor no. 12, Parinee Crescenzo Building, Plot C-38/39, Opp. MCA Ground, G Block, Bandra Kurla Complex, Bandra (East), Mumbai 400051

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Standard Chartered Capital Limited** (hereinafter called the 'Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Auditor's Responsibility:

Our responsibility is to express an opinion on the compliance of the applicable laws and maintenance of records based on audit. We have conducted the audit in accordance with the applicable Auditing Standards issued by The Institute of Company Secretaries of India. The Auditing Standards requires that the Auditor shall comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the financial year ended on March 31, 2025 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment. (External Commercial Borrowing and Overseas Direct Investment were not applicable during the audit period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not Applicable to the Company during the Audit Period)
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 to the extent applicable to the Company;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company during the Audit Period)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not Applicable to the Company during the Audit Period)
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client; (Not Applicable to the Company during the Audit Period)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not Applicable to the Company during the Audit Period) and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. (Not Applicable to the Company during the Audit Period)

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India

(ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations')

During the period under audit, the Company has complied with the provisions of the Act Rules, Regulations, Guidelines and Standards made thereunder.

We further report that, having regard to the compliance system prevailing in the Company and on the examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company with classification as 'Systemically Important Non-Deposit taking Company' has complied with the following laws applicable specifically to the Company:

- The Reserve Bank of India Act, 1934
- Master Direction Reserve Bank of India (Filing of Supervisory Returns) Directions -2024
- Master Direction Reserve Bank of India (Non-Banking Financial Company Scale Based Regulation) Directions, 2023
- Master Circular/Guidelines/Directions to Systemically Important Non-Deposit taking NBFC.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance (except in one case where meeting is convened at a shorter notice for which necessary approvals obtained as per applicable provisions) and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has:

- 1. Increased its authorised share capital from ₹5,35,00,00,000 divided into 53,50,00,000 equity shares of ₹10 each to ₹5,75,00,00,000 divided into 57,50,00,000 equity shares of ₹10 each by passing ordinary resolution at the Annual General Meeting held on September 05, 2024. Consequently, altered its clause V of the Memorandum of Association of the Company.
- 2. Issued and allotted 3,22,69,750 equity shares of ₹10 each at a premium of ₹41.90 aggregating to ₹1,67,48,00,025 on right basis to the existing shareholder.
- 3. Enhanced its existing borrowing limit from ₹8,500 Crore to ₹11,000 Crore by passing Special Resolution under Section 180 (1) (c) of the Act at the Extra Ordinary General Meeting held on September 30, 2024.

- 4. Redeemed 5,000 secured, rated, listed, redeemable, non-convertible debentures having face value of ₹1,00,000 each.
- 5. Issued and allotted 18,000 senior, rated, secured, listed, redeemable non-convertible debentures having face value of ₹ 1,00,000 each.
- 6. The Company has redeemed commercial papers amounting to ₹4,955 Crores.
- 7. Changed its registered office within same city, same state with effect from November 18, 2024 by passing Board Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry structure and developments

India's economic growth has remained robust despite persistent global uncertainties. In 2025, the momentum is expected to continue, backed by strong performance in emerging sectors, sustained public and private investments, and continued strides in digitalisation and infrastructure connectivity.

Future capital spending of the government in the economy is expected to be supported by factors such as tax buoyancy, the streamlined tax system with low rates, a thorough assessment and rationalisation of the tariff structure, and the digitization of tax filing. In the medium run, increased capital spending on infrastructure and asset-building projects is set to increase growth multipliers.

NBFCs continue to play a pivotal role in the Indian financial ecosystem. They complement banks and other financial institutions by bridging gaps in the availability and accessibility of financial services across diverse customer segments and geographies. Their grassroots-level reach positions them as an essential component of the financial system. The NBFC sector in India has continued its remarkable trajectory, solidifying its role as a key player in the financial landscape. The sector has evolved rapidly, particularly in areas like housing finance, microfinance, consumer finance, and fintech-led credit delivery. This growth has been propelled by structural tailwinds including a growing middle class, deepening financial inclusion, technological innovation, and supportive regulatory policies.

Growth in NBFC's Asset Under Management (AUM) to moderate to ~15-17% over fiscals 2025 and 2026 from 23% seen in fiscal 2024. The asset quality is likely to remain range-bound; however, an uptick in early delinquencies is seen in some segments specially in unsecured loans and microfinance.

NBFCs will need to be nimble to adapt to the evolving regulatory environment. Distinction between 'forms of business' blurring; could lead to shift in legal structure, a trend that is already being seen.

Digitalisation continues to transform NBFC operations, enabling more efficient credit delivery, risk assessment and customer engagement. Investments in technology and focus on Artificial Intelligence (AI) and data science/analytics to continue.

As India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers, backed by its robust democracy and strong partnerships, the NBFC sector is well positioned to play a significant role in overall credit expansion and financial deepening, creating meaningful growth opportunities ahead.

Mary

Standard Charter

2. Business Overview

Standard Chartered Capital Limited (SC Capital), a wholly owned subsidiary of Standard Chartered Bank, UK incorporated in the year 2003 is a non-deposit taking middle layer Non-Banking Financial Company (NBFC) registered with the Reserve Bank of India (RBI). SC Capital has a net worth of INR 199,480 Lacs and balance sheet size of INR 931,524 Lacs as of March 31, 2025. It is one of the few NBFCs in India with a credit rating of AAA (stable long term) and A1+ (for Short-term) by ICRA & CRISIL.

It offers lending services to corporate and retail customer through its 2 business verticals:

- > Corporate & Investment Banking (CIB) which offers loans to Corporates and Institutions.
- > Wealth & Retail Banking (WRB) which offer Loan Against Securities (LAS) to affluent and private banking clients.

Business Verticals:

CIB: SC Capital started its lending operation by offering corporate loans products to Corporate and institutional clients. Company has established itself as an entity offering bespoke solutions to the Corporate Clients and is currently leveraging this established position to expand its lending operations.

WRB: The company offers Loan Against Securities (LAS) to its Private Banking and Affluent clients.

Business Strategy:

In line with Standard Chartered Group's overall strategy to enhance offering for its Corporate, Wealth & Affluent clients, SC Capital continues to strengthen its relationships towards these segments. LAS and Corporate loans being the company's profit-making businesses will continue to be the target offering and drive growth for the entity. The company endeavours to grow the business in a measured way maintaining the quality and profitability of the portfolio. Company's management undertook a thorough review of its Loan against Property (LAP) business in view of the profitability of the product, scale of operations and decided to discontinue and exit the business. Further, the entity also realigned its branch presence (from erstwhile 12 branches to 6 branches) to optimize operating costs.

Further, SC Capital is advancing its digital strategy with a focus on digitizing key customerrelated processes, including Customer Due Diligence (CDD), Know your customer (KYC, and Customer Complaint Management. The company is also designing and implementing a robust, next generation, cloud-based application architecture. These digital initiatives

Standard Chartered Capital Limited

Registered Office: 12th Floor, Parinee Crescenzo, Plot No. C - 38/39, G - Block, Bandra Kurla Complex, Bandra East, Mumbai - 400051, Maharashtra, India

Website: https://sccapital.in | Email: SCCapital.customercare.asc.com

will support the development of an integrated platform that enables faster, more seamless, customer onboarding and enhances overall operational efficiency.

3. Opportunities and Threats

Opportunities

- **Diversification of funding mix**: By expanding beyond conventional bank borrowings sources, the NBFC can build a more resilient borrowing structure. This not only reduces reliance on any single source but also optimizes the borrowing cost, enabling more competitive pricing and better asset-liability match funding.
- Improvement in profitability by managing interest rate changes: In an environment of fluctuating interest rates, the NBFC can enhance profitability through active interest rate management. Employing hedging mechanisms, floating-rate loan structures, and a disciplined approach to asset-liability match funding allows the business to safeguard margins while remaining flexible in its lending strategy. Maintaining balance around asset repricing and measured borrowing profile and mix further ensures that the spread remains protected across economic cycles.
- Leveraging of Market Volatility: Periods of market volatility, while challenging for some, create opportunity for NBFCs to gain market share. The market volatility provides opportunity to improve business share especially in LAS business. This pro-cyclicality allows it to build a high-yield, high-quality book while strengthening client relationships when competitors are on the sidelines.
- **Focused product approach:** Instead of pursuing a broad, undifferentiated lending strategy, the NBFC can concentrate on select high-growth segments. Deep domain expertise and customized structuring in these niches enhance client value, improve pricing power, and allows for strong underwriting discipline. This strategic focus also facilitates brand positioning and operational efficiencies at scale.
- Automation and digitalization: It presents a transformative opportunity. By investing in intelligent automation across the credit lifecycle—originations, underwriting, monitoring, and collections—the NBFC can reduce operational costs, improve turnaround time, and enhance data-driven decision-making. Integration of analytics into credit evaluation not only strengthens risk management but also enables dynamic pricing and faster customer service, giving the NBFC a significant edge in a competitive lending landscape.

Threats

- **RBI draft Regulation (Forms of Business)** – As per the draft regulation, only a single entity within a Bank Group shall undertake a particular form of permissible business. There shall be no overlap in the lending activities undertaken by the Bank and its group entities.

Mr. A

Darwing Linder Copital Linder Copita

Group entity shall not be used to circumvent regulations / guidelines applicable to Bank or other group entities. This might lead to shift in legal structure and impact the scale of operation for the entity.

- Credit Risks: The company follows a very high level of credit risk parameter and robust monitoring processes to keep this risk at a very minimal level. The company actively focuses on a debt management strategy to ensure that its delinquencies are kept at minimal levels.
- **Liquidity Risk**: It is managed as per the guidelines stipulated by RBI and Group. The policy framework and the operational parameters are regularly reviewed by the Asset and Liability Management Committee (ALCO) setup in line with guidelines issued by the RBI, which ensures that there are no material imbalances or excessive concentrations on either side of the balance sheet. The Company follows a prudent approach for managing liquidity and ensures availability of adequate liquidity buffers to overcome mismatches in case of stressed market environment.
- Interest Rate Risk: The company is exposed to interest rate risk on its investment portfolio and interest rate sensitivity on fixed and floating rate assets and liabilities with differing maturity profiles. To reduce this risk, company raises funds from diversified sources like inter-corporate deposits, money market borrowings, term loans and short-term borrowings from banks and financial institutions, among others. The company ensures that there is no significant mark to market impact on its investment portfolio nor an impact on its net interest margin.

The Company's risk management framework is further detailed in notes to the financial statements.

4. Segment-wise or product-wise performance

In the last 12 months, the Corporate and Investment banking (CIB) book has increased by 11% and Wealth & Retail Banking (WRB) book has increased by 7%. Currently, SC Capital has a loan asset base of INR 805,798 Lacs as of March 31, 2025, from clients across CIB and WRB segments. The Company is a profit-making entity with a net worth of INR 199,480 Lacs, Revenues of INR 93,186 Lacs and Profit of INR 27,598 Lacs.

5. Outlook

India's economy grew by 6.2% in Quarter 3 of Financial Year (FY) 25. Signs of recovery are visible, with growth expected to be around 6.5% for FY25.

India's total exports of goods and services rose by 5.5% to a record INR 69.8 lakh crore in FY25, compared to INR 65.8 lakh crore in FY24. With a proactive set of administrative actions by the government, flexible monetary policy, and softening of global commodity

Dayin Clark

prices and supply-chain bottlenecks, inflationary pressures in India look to be on the decline overall.

Current account deficit is expected to increase mildly next fiscal but will be in the safe zone. Additionally, dollar index has weakened considerably amidst rising trade policy uncertainty and concerns over US growth. While India's Current Account Deficit (CAD) is expected to stay manageable, volatile FPI flows and external risks may put pressure on the rupee.

For fiscal 2025, headline Consumer Price Index (CPI) inflation eased to 4.6% from 5.4% in fiscal 2024. The March inflation print of 3.3% provides comfort to policymakers amid rising risks to growth. This fiscal, we expect food inflation to remain under control given soft global food prices and the expected above-normal monsoon to benefit the Rabi and Kharif crops. We expect non-food inflation to remain in the comfort zone with expectations of benign global commodity prices. Overall, CPI inflation is expected to average ~4.3%.

The RBI's Monetary Policy Committee has cut key policy rates for two consecutive times, amounting to a cumulative reduction of 50 bps in 2025. It is expected to continue monetary easing this fiscal given softening inflation and increasing downside risks to growth with at least two more rate cuts of 25 bps each this fiscal. RBI will remain proactive in managing liquidity conditions to enable the transmission of rate cuts to the broader economy.

Escalating geopolitical tensions, US tariff hikes have intensified downside risks for India's exports. The tariff hikes are likely to add to inflationary pressures and have increased downside risks to growth in the US. India is however, well positioned to navigate disruptions from US tariffs, supported by robust domestic demand, increased government investment in infrastructure, proactive policy reforms, and a growing youthful population. The positive outlook is further reinforced by easing inflation and strong banking sector liquidity.

6. Risks and concerns.

The Company has a strong governance culture and framework for risk management at an enterprise level. The Company's risk management principles align with those established at a Group level and are customized to meet the local regulatory requirements. There are different types of risk that the Company is exposed to such as Credit risk, Market risk, Treasury risk.

7. Internal control systems and their adequacy

The Company adheres to the relevant group policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention of frauds and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

Standard Chartered Capital Limited

CIN:U65990MH2003PLC142829 | Toll Free No.: (91-22) 1800 209 0505 | Fax. (91-22) 6115 7825

Website: https://sccapital.in | Email: SCCapital.customercare@sc.com

The Company has an Internal Financial Control Framework, commensurate with the size. scale and complexity of its operations. The Concurrent Auditors (M/s Deloitte Touche Tohmatsu India LLP) evaluated the efficiency and adequacy of internal financial control framework in the Company, its compliance with operating systems, accounting procedures and policies of the Company. The assessments on internal financial control were presented to the Audit Committee of the Board.

Based on the framework of internal financial controls established and maintained by the Company, work performed by the internal and statutory auditors, the reviews performed by Management and the relevant Board Committees, the Board with the concurrence of the Audit Committee, is of the opinion that the Company's internal financial controls with reference to financial statements were adequate and effective as on March 31, 2025.

The Company's internal control system is commensurate with its size and the nature of its operations.

8. Discussion on financial performance with respect to operational performance

Considering the challenges and the adverse market conditions that prevailed in the macroeconomic environment, it is gratifying that your company delivered a steady financial and operating performance for FY 2024-25.

- The company's balance sheet continues to be highly liquid; diversified and conservatively positioned.
- Additionally, the company has secured approval for an additional capital of ~INR 52,700 Lacs from the group. Out of which, the company has received the first tranche of Tier 1 capital of INR 16,748 Lacs in September 2024. The second tranche of ~INR 35,700 Lacs will be raised via sub debt as and when required.
- Total advances including investment increased by 9.5% to INR 875,569 Lacs in FY 25, as against INR 799,529 Lacs in FY24. The assets were well diversified and across segments.
- Profit of the Company is higher by 31% as compared to the previous years to reach INR 27,598 Lacs.
- In the Financial Year 2024-25, the company has paid dividend of INR 3,349 Lacs.
- The company has written-off ~ INR 1660 Lacs towards the digital onboarding and servicing platform under development (with Salesforce) during last year to align with the Group Architecture Strategy focusing on standardisation and consolidation of all tech systems.

Further, Company decided to discontinue its LAP business on profitability grounds and realigned its branch presence.

Hence SC Capital is exempt to have INEDs on its Board by virtue of being a wholly owned subsidiary.

However, if SC Capital lists any security (Equity shares or Debentures on Stock Exchange) then the company shall have at least one-third of the total number of directors as independent directors. Any fraction contained in such one-third number shall be rounded off as one. Chapter XI of Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 require Middle Layer and Upper Layer NBFC's to have Independent Directors appointed on their Board.

The candidature for appointment of Independent director would be evaluated on basis of merit. While the appointment of each of the directors would be placed before the Board after recommendations by the Nomination and Remuneration Committee, the following would be adhered to:

- 3.1 The Independent director shall possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, information technology, technical operations or other disciplines related to Company's business.
- 3.2 The independent director in relation to SC Capital, shall mean a director other than the managing director or whole-time director or nominee director—
- (a) who, in the opinion of the Board, is a person of integrity and possesses relevant expertise and experience;
- (b) (i) who is or was not a promoter of the company or its holding, subsidiary or associate company;
 - (ii) who is not related to promoters or directors in the company, its holding, subsidiary or associate company;
- (c) who has or had no [pecuniary relationship, other than remuneration as such director or having transaction not exceeding ten per cent. of his total income or such amount as may be prescribed,] with the company, its holding, subsidiary or associate company, or their promoters, or directors, during the two immediately preceding financial years or during the current financial year;]

(d)none of whose relatives-

(i) is holding any security of or interest in the company, its holding, subsidiary or associate company during the two immediately preceding financial years or during the current financial year:

Provided that the relative may hold security or interest in the company of face value not exceeding fifty lakh rupees or two per cent. of the paid-up capital of the company, its holding, subsidiary or associate company or such higher sum as may be prescribed;

(ii) is indebted to the company, its holding, subsidiary or associate company or their promoters, or directors, in excess of such amount as may be prescribed during the two immediately preceding financial years or during the current financial year;

(iii) has given a guarantee or provided any security in connection with the indebtedness of any third person to the company, its holding, subsidiary or

for an amount of fifty lakhs rupees, at any time during the two immediately preceding financial years or during the current financial year.]

- 4. Terms & Conditions for appointment of an Independent Director
- 4.1 The independent director shall at the first meeting of the Board in which he participates as a director and thereafter at the first meeting of the Board in every financial year or whenever there is any change in the circumstances which may affect his status as an independent director, give a declaration that he meets the criteria of independence.
- 4.2 The Company and the Independent Directors shall abide by the provisions specified in Schedule IV of the Companies Act, 2013 which lays down the code of conduct for independent directors.
- 4.3 An independent director shall hold office for a term up to five consecutive years on the Board of a company or such other term as may be prescribed by the Board, but shall be eligible for re-appointment on passing of a special resolution by the company and disclosure of such appointment in the Board's report.
- 4.4 No independent director shall hold office for more than two consecutive terms, but such independent director shall be eligible for appointment after the expiration of three years of ceasing to become an independent director:

Provided that an independent director shall not, during the said period of three years, be appointed in or be associated with the company in any other capacity, either directly or indirectly.

- 4.5 Any intermittent vacancy of an independent director shall be filled up by the Board of SC Capital at the earliest but not later than immediate next Board meeting or three months from the date of such vacancy, whichever is later.
- 5. Criteria for deciding remuneration payable to directors, key managerial personnel and other employees

The remuneration approach for Standard Chartered Capital Ltd (SC Capital) is consistent with the approach for Standard Chartered PLC (the Group) and is aligned to remuneration regulations in India and in the UK where we are headquartered.

As per the provisions of the Companies Act, 2013, the Independent director shall not be entitled to stock options and may receive remuneration by way of sitting fees within the limits as permitted by the Rules pursuant to the Companies Act, 2013 for attending the meetings of the Board and the Committees.

5.1 Our Regulatory Framework

At SC Capital, we ensure that our remuneration policies, standards and practices are aligned to the remuneration rules issued by the Reserve Bank of India, the requirements laid down in the Companies Act, as well as the UK Remuneration Rules. Remuneration regulations in India are aligned with the FSB principles on sound compensation practices.

The Group's lead regulators are Prudential Regulation Authority (PRA) and Financial Conduct Authority (FCA) and our regulatory framework incorporates detailed requirements on remuneration in the Remuneration

Part of the PRA Rulebook, the FCA handbook SYSC 19D and any other associated legislation and guidance (the UK Remuneration Rules).

Overall, our remuneration framework is designed to:

- Reward colleagues for progress made on the execution of our strategy and appropriately incentivise colleagues to deliver strong performance over the long-term, whilst avoiding excessive and unnecessary risktaking, and
- Promote sound and effective risk management through our remuneration structures

5.2 Governance and Oversight

Our remuneration framework consists of the Group Variable Compensation Policy and Standard supplemented by internal remuneration guidelines and processes to support remuneration governance and decision making through various stages of the employment cycle.

- **5.2.1** At Board level: The PLC RemCo has responsibility for setting and reviewing the principles, parameters and governance framework of our remuneration approach and overseeing implementation, ensuring alignment with our culture, the requirements of the UK Corporate Governance Code (applicable to companies with a premium listing on the London Stock Exchange) and any other relevant regulations. The Committee's terms of reference can be found here on SC.com. The effectiveness of the PLC RemCo is reviewed on an annual basis, the results of which are outlined in the Directors Remuneration Report.
- **5.2.2** At SC Capital: As per the requirements of RBI and in line with Companies Act, a Nomination and Remuneration Committee has been established to oversee the implementation of remuneration approach and compliance with regulations locally. The Terms of reference of the Nomination and Remuneration Committee include review of remuneration for the Managing Director & CEO.
- **5.2.3** At Management Level: The Group's management body in its supervisory function has appropriate oversight of, and periodically reviews, the general principles of the remuneration policy through the Group Reward Plan Committee (GRPC). Comprising of senior representatives in Finance, Human Resources and Risk alongside the Group CEO, the GRPC is responsible for ensuring that the Group's remuneration policies, practices and procedures i) are consistent with and promote sound and effective risk management; ii) do not encourage risk-taking that exceeds the level of tolerated risk of the Group; and iii) are in line with the Group's strategy, objectives, values and long-term interests.

The GRPC is supported by the Risk Adjustment Committee (RAC) which is responsible for ensuring that ex-post risk adjustment of remuneration is designed and operated as an effective risk management mechanism. To achieve this, the RAC considers material events and issues, which have undergone initial review by the Risk and Accountability Forum (RAF) and include input from Group Internal Audit, Compliance, Legal and Risk.

5.3 Our remuneration framework

5.3.1 Fair Pay Charter

At Standard Chartered, our goal is to create a culture of sustainable high performance where everyone can be at their best and feels their contributions are fairly rewarded.

The PLC Remuneration Committee (RemCo) approves the Fair Pay principles, which outlines the Group's underlying philosophy and

tandar

commitment to equitable reward. These apply to all colleagues in the Group, including senior management and executive directors.

Our Fair Pay principles are set out below:

- Equal Pay: We offer equal pay for equal work by market and don't tolerate unlawful discrimination
- Purpose-led: We provide a holistic set of reward and benefits in line with our valued behaviours and Stands
- 3. Competitive opportunities: We aim to pay colleagues competitively
- Performance-driven: We are committed to motivating, recognising and rewarding sustainable high performance

5.3.2 Remuneration Policies: Overall, our remuneration framework is designed to reward colleagues for progress made on the execution of our strategy and appropriately incentivise colleagues to deliver strong performance over the long-term, whilst avoiding excessive and unnecessary risk-taking. Our remuneration policies, practices and standards are aligned with the long-term interests of the Group, promote sound and effective risk management through its remuneration structures and include measures to avoid conflicts of interest.

5.3.3 Key elements of remuneration: Employees typically receive:

- Salary that is delivered in cash monthly. It reflects the skills and experience of the individual and is reviewed annually against market information and in the context of the annual performance assessment and affordability.
- Variable Compensation: Employees are eligible to be considered for variable remuneration driven by Group, business area and individual performance. Individual variable remuneration is determined on the basis of Group and/or business area (where applicable) as well as individual performance.

Individual performance is determined by considering what was achieved and how this was achieved in the context of the Group's valued behaviours. Non-executive directors are not awarded variable remuneration. At a Group and business area level, balanced scorecards play an integral role in the determination of discretionary variable remuneration. Aligned with the Group's strategy, the scorecards take into consideration financial and strategic measures which are designed to drive the right outcome for clients, as well as deliver improvements in shareholder returns whilst ensuring that returns are not generated by excessive risk-taking.

People Leaders differentiate VC for both individuals with very strong performance and for individuals whose performance falls short of the expected performance standard, supported by guiding principles, assurance reviews and affordability. An appropriate balance is maintained between fixed and variable pay.

The purpose of the offering Variable Compensation (VC) is to act as a tool to motivate and incentivise colleagues to deliver sustainable high performance aligned with the Group's strategy, valued behaviours and effective risk management. VC is fully discretionary and the Group retains absolute discretion as to the amount awarded with flexibility to award zero VC.

In addition, employees:

- Are eligible to participate in the Group's all-employee Share save scheme; and
- Receive core benefits based on local regulations and competitive practice, which normally include retirement benefits, medical insurance, life assurance, annual leave, sick leave etc.

SC Capital rewards sustained performance over time and decisions on pay are strongly based on differentiation both for sustained performance and for valued behaviours.

5.3.4 Alignment to good conduct and risk management

- Our remuneration approach is designed to promote sound risk management by aligning employee incentives with the longer-term interests of the Group, taking into account the timeframe over which financial risks crystallise. Good conduct and the demonstration of Valued Behaviours are rewarded.
- The pay-out schedules of Remuneration are sensitive to the time horizon
 of risks by the implementation of deferral approach for all colleagues
 globally unless superseded by more onerous local regulations. Under
 the deferral mechanism, colleagues with awards above a specific
 threshold are required to defer part of any variable remuneration award
 into deferred shares, rather than the award being paid entirely in cash.
 The Remuneration is also paid in mix of cash, equity and other forms of
 awards that is consistent with risk alignment.
- Colleagues engaged in financial and risk control are independent, have appropriate authority, and are compensated in a manner that is independent of the business areas they oversee and commensurate with their key role. Performance and reward decisions for the control functions are determined independent of the business; and control functions do not participate in any business specific performance plans.
- Remuneration is adjusted for all types of risk and the outcomes are aligned to risk outcomes. The Group's discretionary variable remuneration is subject to approval by the PLC RemCo based on a recommendation by the GRPC. When determining the Group's variable remuneration and its allocation between business areas, the Committee considers (amongst other things): current and future risks, including operational, conduct, information and cyber security and financial crime risks; specific RCC events; performance measured against scorecards, ensuring risk-taking does not exceed the Group's Risk Appetite; and ensures that the Group's remuneration policies do not encourage risk-taking that exceeds the Group's Risk Appetite.
- To account for current and future risks, we consider whether any remuneration adjustments are required. Adjustments can be made in relation to risks that are inherent in our business activities (ex-ante) or in relation to events and issues that have crystallised (ex-post). Our process includes adjustments which are automatic and discretionary. Adjustments apply at a collective (i.e. Group-wide and/or country / Cluster / business area) and/or individual level. Ex-post risk adjustments can be done via collective adjustments, individual in-year adjustments, malus and/or clawback.

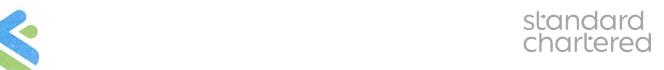

Standard Chartered Capital Limited

DJEPUELS. No. : 7875

Automatic ex-ante and ex-post risk adjustments are applied at a collective level in relation to risks, events and issues that impact the financials of the Group and therefore have a direct impact on the Group's incentive funding. Additional incremental discretionary ex-ante and ex-post risk adjustments may also be applied at a collective level where deemed necessary

5.3.5 Performance Assessment

Colleague performance is assessed against progress against individual and team goals / targets, adherence to the Bank's Valued Behaviours, approach to managing risk, control and conduct, feedback received and role expectations.

Remuneration outcomes are driven by a combination of Group, business area and individual performance. They reflect what the colleagues have achieved and how they have achieved it, based on the valued behaviours they have demonstrated. This ensures that everyone is aligned to deliver long-term sustainable growth and that variable remuneration recognises the exceptional achievement, conduct, behaviours and values of employees.

People Leaders are required to affirm that risk, control and conduct behaviours have been considered and assessed as part of the yearend review. Furthermore, People Leaders must consider the colleague's risk, control and conduct when making Total Variable Compensation (TVC) proposals, with risk adjustments made where appropriate.

The Group continues to review its remuneration practices in response to both emerging best practice and market developments globally.

5.3.6: Remuneration of Managing Director and CEO of SC Capital

In respect of the remuneration payable to the Managing Director & CEO of SC Capital, apart from Group Remuneration Policy, provisions of the section 197 of the Companies act read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 shall also be complied with.

Reporting Requirements

- This policy and any subsequent amendment(s) thereto, shall be placed on the website of the company.
- The salient features of the policy and changes therein along with the web address of the policy shall be disclosed in the Board's report.
- Remuneration paid to Directors and Key Managerial Personnel shall be reported in the Annual Return as on close of a financial year.

Independent Auditor's Report

To The Members of Standard Chartered Capital Limited

Report on the Audit for the Financial Statements

Opinion

We have audited the accompanying financial statements of Standard Chartered Capital Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current year. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600 Website: www.cnkindia.com

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1	Impairment of Portfolio Loans	
		2.7 and 6.1 to the Ind AS Financial Statements: Expected Credit Loss' and 'Note 30 to the Ind AS
	ncial Statements: Risk Management'.	
	Subjective estimates:	Out key audit procedure included:

- "Financial Under Ind AS 109, Instruments", allowance for Loan losses is determined using expected credit loss ('ECL') estimation model. The estimation of ECL on financial instruments involves significant Management judgment and estimates. ECL is considered as Key Audit Matter due to complexity in models and use of assumptions, significant management judgements which are subjective and uncertain. The major areas where greater levels of management judgement are involved in ECL estimation are:
- Data Inputs: Application of ECL model requires several data inputs, increasing risks of completeness and accuracy of historical & current data used in the model
- Model Estimations: Internally acquired models are used to estimate ECL, involving determination of Probability of Default (PD), Loss given default (LGD), and Exposure at default (EAD). PD and LGD are the most significant judgmental aspects.
- Staging Classification of Loans: Significant judgement is applied in staging loans based on DPD thresholds and qualitative factors like early alerts and management watchlists.
- Other Critical Judgements: Significant judgement is required in deriving the ECL especially when evaluating cushion breaches, elevated risks associated with promoter-backed exposures, and similar factors.

- •Reviewing board approved policies impairment offinancial instruments and assessing compliance with Ind AS 109.
- Understanding the ECL estimation process and testing the design and operating effectiveness of controls over data extraction and validation.
- Performed reconciliations procedures to ensure consistency and overall integrity of the data driving the impairment calculations.
- Testing operating effectiveness of controls for stage-wise bifurcation of product-wise portfolios along with timely ascertainment of stress and early warning signals.
- Reviewing the rationale for PD and LGD factors used by the Company.
- Checking the completeness and accuracy of the source data used and along with assessing the appropriateness of collateral values basis the latest valuation reports and lien confirmations.
- •Testing of, review controls over measurement of provisions and disclosures in the Ind AS Financial Statements.

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600

Website: www.cnkindia.com

CNK & Associates LLP

Chartered Accountants

- Economic Scenarios: Ind AS 109 requires ECLs to reflect a range of unbiased forward-looking economic conditions. Management judgement is applied in selecting economic scenarios and probability weightings.

The Underlying assumptions used in the estimation of impairment loss allowance estimates are subject to uncertainties, often beyond the Company's control. Given the size of the loan portfolio relative to the balance sheet and the impact of impairment allowances, this was considered a key audit matter.

• Disclosures:

Including those prescribed by RBI, are critical to explain key judgements and material inputs to the Ind AS 109 ECL results.

Substantive Verification:

- Sample testing over key inputs, data and assumptions impacting ECL calculations to assess the completeness, accuracy and relevance of data and reasonableness of economic forecasts, weights, and model assumptions applied.
- Model calculations testing through re-computation and challenging management's assumptions
- Reviewed the accuracy of Exposure at Default (EAD) split between secured and unsecured portions to ensure proper risk assessment and provisioning.
- Testing the arithmetical accuracy of the data used in the ECL model and computation of ECL provision performed by the Company in spreadsheets.
- Assessing whether the disclosures on key judgements, assumptions and quantitative data with respect to impairment of loans in the Ind AS Financial Statements are appropriate and sufficient.
- Obtained and verified confirmations from banks and custodians to ensure the existence and accuracy of cash collateral balances held against loans.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our Auditors' Report thereon. The other information is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to report that fact to those charged with governance and take appropriate action as applicable under relevant laws and regulations.

Responsibilities of Management and Board of Directors' for Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including Other Comprehensive Income, Changes in Equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management and Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion on whether the Company has adequate internal
 financial controls with reference to financial statements are in place and the operating effectiveness
 of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events
 in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600

Website: www.cnkindia.com

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company for the year ended March 31, 2024, which are audited by the predecessor auditors. The predecessor auditors had expressed an unmodified opinion on May 27, 2024.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure - A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- With respect to the other matters to be included in the Auditor's Report in accordance with (g) the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements (Refer Note 46.1 of Financial Statements).
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts. (Refer Note 46.2 of Financial Statements).
 - The Company is not required to transfer any amount to the Investor Education and Protection Fund during the year ended March 31, 2025.

iv.

- (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material mis-statement.
- In our opinion and according to the information and explanations given to us, as stated in Note 93 to the Financial Statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the Audit trail has been preserved by the company as per the statutory requirements for record attention.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2025, we report that:

- i. In respect of Company's Property, Plant and Equipment, Right of Use and Intangible Assets:
 - (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right of Use assets.
 - B. Based on the verification of documents provided to us and according to information and explanations provided by the management, The Company is maintaining proper records showing full particulars of Intangible assets.
 - (b) The property, plant and equipment were physically verified during the year by the management in accordance with a regular programme of verification which, in our opinion provides for physical verification of all property, plant and equipment at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the title deed of the immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
 - (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, reporting under clause 3
 (i) (d) of the Order is not applicable.
 - (e) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988(45 of 1988) and rules made thereunder.
 - (a) The company is in the business of providing loans and does not have any physical inventories. Accordingly, the provision stated in paragraph 3(ii)(a) of the order is not applicable to the company.
 - (b) The Company has been sanctioned working capital limit in excess of Rs. 5 Crore in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.

ii.

iii.

- (a) Since the Company's principal business is to give loans, the provisions of clause 3(iii)(a) of the Order are not applicable to it.
- (b) In our opinion and according to the information and explanations given to us, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the Company's interest.
- (c) In respect of loans and advances in nature of loans, granted by the Company during the normal course of its business, having regard to the voluminous nature of loan transactions, it is not practicable to furnish entity-wise details of amount, due date for repayment or receipt and the extent of delay in this report (as suggested in the Guidance Note on CARO 2020, issued by the Institute of Chartered Accountants of India for reporting under this clause), in respect of loans and advances which were not repaid / paid when they were due or were repaid / paid with a delay. Further for loans where there are delays or defaults in repayment of principal and / or payment of interest as at the balance sheet date, the summary of the same are disclosed by Management in Note 6.1 of the Financial Statements.
- (d) In respect of loans granted by the Company, the overdue amount remaining outstanding as at the balance sheet date is as reported by the management in Note 6.1 the Financial Statements. The total amount overdue for more than 90 days amounts to Rs. 622.00 Lakhs with respect to 3 borrowers. The Company has taken reasonable steps in its normal course of business for recovery of overdue principal and interest in respect of such loans;
- (e) Since the Company's principal business is to give loans, the provisions of paragraph 3(iii)(e) of the Order are not applicable to it.
- (f) Based on our audit procedures and the information and explanation made available to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- iv. The company has not granted any loans or made any investments, or provided any guarantees, or securities to the parties covered under Section 185 or 186. Therefore, the provisions of Section 185 and Section 186(1) are not applicable to the Company. The company is Non-Banking Financial Company registered with Reserve Bank of India and consequently other provisions of Section 186 are not applicable to the Company.
- v. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has not accepted any deposits to which directives of the Reserve Bank of India and provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under apply. Accordingly, reporting under clause 3 (v) of the Order are not applicable to the Company.

viii. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. In case of borrowings

- (a) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayments of loans or borrowings to any financial Institution, debenture holders and bank as at balance sheet date.
- (b) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company is not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- (e) According to the information and explanations given to us, the company does not have any subsidiary, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
- (a) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3(x)(a) of the order is not applicable
- (b) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Sections 42 & 62 of the Act in connection with the funds raised through Rights issue and the same have been utilized for the purposes for which they were raised.

xi.

x.

- (a) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600 Website: www.cnkindia.com

Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

- (c) We have taken into consideration the whistle blower complaints received by the company during the year while determining the nature, timing and extent of audit procedures.
- xii. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company is not a nidhi company. Accordingly, reporting under clause 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Ind AS.

xiv.

- (a) According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- xv. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi.

- (a) The company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.
- (b) Accordingly, the company has not conducted any Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank.
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India nor there are more than one CIC as part of group. Accordingly, sub clause (c) and (d) of clause 3 (xvi) of the Order is not applicable.
- xvii. According to the information and explanations provided to us and on the basis of our examination of the records of the Company, the procedure performed by us, and on an overall examination of financial statements of the Company, the company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been resignation by the statutory auditors during the year and the outgoing auditor has not raised any issues, objections or concerns based on our communication with outgoing auditor as required under ICAI Code of Ethics and further no issues, objections or concerns were raised in their audit report dated May 27, 2024 for previous financial year..

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0005 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600 Website: www.cnkindia.com

- xix. Based on the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the balance sheet date. We, however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations provided to us and on the basis of our examination of the records of the Company,
 - (a) The company is not required to transfer unspent amount to a fund specified in Schedule VII to the Companies Act for other than ongoing projects. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable.
 - (b) There are no amount unspent on the corporate Social Responsibilities activities as per section 135 of the act and hence reporting under the clause 3(xx)(a) and (b) of the order are not applicable.
- xxi. The company does not have any subsidiary, associate, or joint venture company and is not required to prepare consolidated financial statements. Accordingly, paragraph 3(xxi) of the order is not applicable to the company.

ANNEXURE - B To The Independent Auditor's Report Of Even Date On The Financial Statements Of Standard Chartered Capital Limited

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of **Standard Chartered Capital Limited** ("the Company") as at March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements, both applicable to an audit of Internal Financial controls with reference to financial statements.

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600

Website: www.cnkindia.com

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Mistry Bhavan, 3rd Floor, Dinshaw Vachha Road, Churchgate, Mumbai 400 020. Tel: +91 22 6623 0600 501-502, Narain Chambers, M.G. Road, Vile Parle (E), Mumbai 400 057. Tel: +91 22 6250 7600 Website: www.cnkindia.com

Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

C. Terms / rights attached to equity shares

The Company has only one class of equity shares having a par value of INR 10 per share. Each holder of equity share is entitled to one vote per share. There are no restrictions on payment of dividend to equity shareholders. The Company declares and pays dividend to its shareholders in Indian Rupees. During the year ended March 31, 2025 dividend up to INR 1.80 per share (Previous Year: INR 1.35) is proposed by the Board of Directors subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders...

D. Shares held by holding / ultimate holding company and / or their subsidiaries / associates

Note

The timing of outflows of economic benefits cannot be ascertained as the demands are disputed and the Company has preferred an appeal against the said demands

for the year ended 31 March 2025

1. Corporate Information

Standard Chartered Capital Limited ('the Company') was incorporated under the Companies Act, 1956 on 22 October 2003 (formerly known as Standard Chartered Investments and Loans (India) Limited). Pursuant to change in name, the Company was issued a registration certificate (N-13.01756) dated 13 December 2021 by the Reserve Bank of India ('RBI') to act as a Category B Non – Banking Financial Company ('NBFC') not accepting public deposits. The entire share capital of the Company is held by Standard Chartered Bank, United Kingdom and its nominees. The activities of the Company involve lending and investments.

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the accounting standard requires a change in the accounting policy hitherto in use.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 29 May 2025, Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

2. Basis of preparation of financial statements

2.1 Compliance with IND AS

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act, the Master Direction – Reserve Bank of India (Non-Banking Financial Company– Scale Based Regulation) Directions, 2023 and notification for Implementation of Indian Accounting Standard vide circular RBI/2019-20/170 DOR(NBFC).CC.PD.No. 109/22.10.106/2019-20 dated 13 March 2020 ('RBI Notification for Implementation of Ind AS') issued by RBI and as updated from time to time.

The Company prepares and present its Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the format prescribed by Division III of Schedule II to the Act as amended from time to time. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows' as amended from time to time.

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments and plan assets of defined benefit plan, which are measured at fair values at the end of each reporting period as explained in the accounting policies below. All the amounts disclosed in the financial statements and notes have been rounded off to the nearest INR Lacs in compliance with Schedule III of the Act unless otherwise stated.

2.2 Use of estimates, judgements and assumptions

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities, as on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

for the year ended 31 March 2025

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS.

Certain of the Company's accounting policies require critical accounting estimates that involve subjective judgments and the use of assumptions, some of which may be for matters that are inherently uncertain and susceptible to change. Such critical accounting estimates could change from period to period and may have a material impact on the Company's financial condition, changes in financial condition or results of operations. Critical accounting estimates could also involve estimates where management could have reasonably used another estimate in the current accounting period. The policies that involve critical accounting estimates include fair valuation of financial instruments, impairment of non-financial assets and deferred tax. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

Critical estimates and judgements are:

- a) Impairment of financial assets refer note 3.5
- b) Estimation of defined benefits obligation and actuarial assumptions refer note 3.7.2
- c) Estimation of current tax expense and current tax payable refer note 3.18.1
- d) Estimation of deferred tax refer note 3.18.2
- e) Lease- Discount rates- refer note 3.10
- **2.3** Recent accounting pronouncements Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

3. Summary of Accounting policies

Material accounting policies:

3.1 Recognition of interest income

Effective interest rate

Under Ind AS 109 'Financial Instruments' interest income is recorded using the effective interest rate (EIR) method for all financial instruments measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instruments or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortized cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

3.2 Financial Instruments

3.2.1 Recognition and Initial measurement of financial instruments

Financial assets and liabilities, with the exception of loans, debt securities, inter - corporate deposits and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to

for the year ended 31 March 2025

the contractual provisions of the instrument. The Company recognises debt securities, inter - corporate deposits and borrowings when funds reach the Company.

Financial assets and financial liabilities are initially measured at fair value/transaction price. Subsequent measurement of the financial assets and financial liabilities is dependent on their classification.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair values through profit and loss (FVTPL)) are added to or deducted from their respective fair value on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account those characteristics of the asset or liability which a market participants would take into account when pricing the asset or liability. Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

Refer note 3.3.5 below for more details on fair value hierarchy.

3.2.2 Classification and subsequent measurement of financial assets and liabilities

All recognised financial assets that are within the scope of Ind AS 109 are subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Specifically:

- a) Debt instruments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding, are subsequently measured at amortised cost;
- b) Debt instruments that are held within a business model whose objective is both to collect the contractual cash flows and to sell the debt instruments, and that have contractual cash flows that are SPPI, are subsequently measured at Fair Value through Other Comprehensive Income (FVTOCI).
- c) All other debt instruments (e.g. debt instruments managed on a fair value basis, or held for sale) and equity investments are subsequently measured at Fair Value through Profit & Loss (FVTPL).

The Company may make the following irrevocable election / designation at initial recognition of a financial asset on an asset by-asset basis: the Company may irrevocably elect to present subsequent changes in fair value of an equity investment in Other Comprehensive Income.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how groups of financial assets are managed together to achieve a particular business objective.

The Company measures Bank balance, Loans, Trade receivables, Investments and other financial instruments at amortised cost if both of the following conditions are met.

for the year ended 31 March 2025

- a) The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows.
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios.

In assessing whether the contractual cash flows have SPPI characteristics, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Equity Instrument: An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs.

Financial liabilities are classified as either amortised cost or held at FVTPL. Management determines the classification of its financial assets and liabilities at initial recognition of the instrument or, where applicable, at the time of reclassification.

3.3 Financial assets and liabilities

3.3.1 Financial assets held at amortized cost and FVTOCI

Debt instruments held at amortised cost have contractual terms that give rise to cash flows that have SPPI characteristics. Principal is the fair value of the financial asset at initial recognition but this may change over the life of the instrument as amounts are repaid. Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period and for other basic lending risks and costs, as well as a profit margin.

3.3.2 Equity instruments designated as held at FVOCI

Non-trading equity instruments acquired for strategic purposes rather than capital gain may be irrevocably designated at initial recognition as held at FVOCI on an instrument-by-instrument basis. Dividends received are recognised in profit or loss. Gains and losses arising from changes in the fair value of these instruments, including foreign exchange gains and losses, are recognised directly in equity and are never reclassified to Statement of Profit and Loss even on derecognition.

3.3.3 Financial assets and liabilities held at (FVTPL)

Financial assets which are neither held at amortised cost nor held at FVTOCI are held at FVTPL. Financial assets and liabilities held at FVTPL are either mandatorily classified FVTPL or irrevocably designated as FVTPL at initial recognition.

3.3.4 Financial liabilities including Debt securities held at amortised cost

Financial liabilities that are not financial guarantees or loan commitments and that are not classified as financial liabilities held at FVTPL are classified as financial liabilities held at amortised cost.

Reclassification: Financial assets are not reclassified subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line or

for the year ended 31 March 2025

in the period the Company changes its business model for managing financial assets. Financial liabilities are not reclassified

3.3.5 Determination of Fair value of financial assets and liabilities

The fair values of quoted financial assets and liabilities in active markets are based on current prices. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. If the market for a financial instrument, and for unlisted securities, is not active, the Company establishes fair value by using valuation techniques and judgements ranging from determining comparable companies to discount rates e.g. Discounted Cash Flow (DCF).

The company classifies assets and liabilities carried at fair value or for which fair values are disclosed into three levels according to the observability of the significant inputs used to determine the fair values.

Fair value Hierarchy

Level 1: Fair value measurements are those derived from unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Fair value measurements are those with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

Level 3: Fair value measurements are those where at least one input which could have a significant effect on the instrument's valuation is not based on observable market data.

There has been no transfer between level 1, level 2 and level 3 for any of the years reported in these financial statements.

3.3.6 Undrawn loan commitments

Undrawn loan commitments are commitments under which, over the duration of the commitment, the Company is required to provide a loan with pre-specified terms to the customer. Undrawn loan commitments are in the scope of expected credit loss requirements.

3.4 De-recognition of financial assets and liabilities

A financial asset is derecognised when the rights to receive cashflows from the financial assets have expired or the Company has transferred its right to receive cash flows from the asset and has transferred substantially all the risks and rewards of the asset.

The Company also derecognises a financial asset such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that, substantially, it becomes a new loan, with the difference recognised as a derecognition gain or loss, to the extent that an impairment loss has not already been recorded. The newly recognised loans are classified as Stage 1 for ECL measurement purposes, unless the new loan is deemed to be Purchased or originated credit impaired financial asset (POCI).

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in statement of profit and loss.

for the year ended 31 March 2025

The Financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in statement of profit and loss.

3.5 Impairment of financial assets

The calculation of credit impairment provisions involves expert credit judgement applied by the credit risk management team based on credit rating agencies benchmarks, counterparty information from various sources including relationship managers and external market information.

3.5.1 Expected credit losses

Expected credit losses ("ECL") are determined for all financial assets that are classified at amortised cost or fair value through other comprehensive income and undrawn commitments.

An expected credit loss represents the present value of expected cash shortfalls over the residual term of a financial asset and undrawn commitment.

3.5.2 Measurement

For Stage 1 portfolio,

For Corporate loans, the estimate of expected cash shortfalls is determined by multiplying the probability of default (PD) with the loss given default (LGD) with the expected exposure at the time of default (EAD). The Company has adopted approach of estimating PDs based on CRISIL Default and Rating Transition study. As per the Company's Local Lending Policy, all corporate exposures are required to be rated CG (credit grading) based on approved scorecard. The policy also captures mapping of internal CG ratings scale with external ratings of rating agencies approved by SEBI / RBI. For PD computation, latest internal CG rating of the Borrower is considered. Based on the mapping of borrower's CG rating with external rating scale and basis staging of the loan asset, PD is considered from the CRISIL study. Any upgrade or downgrade of internal credit grading of the borrower based on the review of facility during the tenor of the loan will be considered for estimating PD and corresponding ECL calculation.

For LAP portfolio, PD is assessed based on the data of defaults of corresponding product portfolio reported by reputed Bureau agencies like CIBIL, CRIF etc. These agencies cover granular details of portfolio of various lenders based on loan amount, tenor, category of lender etc. PD estimation for stage 1 portfolio relating to 12-months ECL will be considered based on 90 + delinquency rates of that portfolio. Policy framework governing a particular product would be considered while estimating default rates from bureau data sources.

The Loans against Shares (LAS) portfolio is extended on the basis of a collateral cushion (i.e., the difference between the exposure of the facility and the market value of the collateral). The value of the collateral is updated and monitored daily, and any decrease in the collateral cushion below a specified threshold leads to a grace period (in which the customer is asked to top up the security), followed by the liquidation of sufficient collateral to restore the cushion. There are different thresholds for different security types in line with RBI policy for Equity/Equity MF/ Debt Funds. The credit line of each exposure is reviewed annually. Due to the high level of collateral, the exposures are at a very low risk, with no

for the year ended 31 March 2025

historical loss experience. These have been appropriately factored for the purpose of ECL. ECL for a corporate exposure primarily backed by marketable securities will be assessed based on LAS approach as mentioned above. Also, in case of LAS exposures to promoters against securities of the companies owned by them (class 2 facility), risk is higher compared to regular LAS exposures. Thus, ECL assessment of such exposure will be done by appropriately factoring in such higher risk.

For stage 2 portfolio, PD will be estimated based on survival analysis over residual average maturity of such portfolio.

For stage 3 portfolio, PD estimation will be considered at 100 %. LGD is usually shown as the percentage of EAD that the bank might lose in case the borrower defaults. It depends, among others, on the type and amount of collateral as well as the type of borrower and the expected proceeds (e.g. sales proceeds from sales of collaterals/securities) of the assets. The credit risk assessment is based on a standardized LGD assessment framework that results in a certain LGD rate. These LGD rates take into account the expected EAD in comparison to the amount expected to be recovered or realized from any collateral held and also takes into account forward looking information. The estimates of LGDs for both secured and unsecured exposures are referenced from RBI guidelines.

3.5.3 Recognition

Stage 1- 12 months expected credit loss.

Expected credit losses are recognised at the time of initial recognition of a financial instrument and represent the lifetime cash shortfalls arising from possible default events up to 12 months into the future from the balance sheet date. Expected credit losses continue to be determined on this basis until there is either a significant increase in the credit risk of an instrument or the instrument becomes credit-impaired. If an instrument is no longer considered to exhibit a significant increase in credit risk, expected credit losses will revert to being determined on a 12-month basis.

Stage 2- Significant increase in credit risk (SICR)

SICR is assessed by comparing the risk of default at the reporting date to the risk of default at origination. Whether a change in the risk of default is significant or not is assessed using quantitative and qualitative criteria.

- a) Quantitative criteria: Across all portfolios, accounts that are 30 or more days past due (DPD) on contractual payments of principal and/or interest are considered to have experienced a significant increase in credit risk.
- b) Qualitative criteria: Qualitative factors that indicate that there has been a significant increase in credit risk include processes linked to current risk management, such as placing loans on nonpurely precautionary early alert.

For Corporate clients: All assets of clients that have been placed on early alert (for non-purely precautionary reasons) are deemed to have experienced a significant increase in credit risk. An account is placed on non-purely precautionary early alert if it exhibits risk or potential weaknesses of a material nature requiring closer monitoring, supervision or attention by management. Weaknesses in such a borrower's account, if left uncorrected, could result in deterioration of repayment prospects and the likelihood of being downgraded.

Indicators could include a rapid erosion of position within the industry, concerns over management's ability to manage operations, weak/deteriorating operating results, liquidity strain and overdue balances among other factors. All client assets that have been assigned a CG12

for the year ended 31 March 2025

rating, equivalent to 'higher risk', are deemed to have experienced a significant increase in credit risk.

For Retail and Private Banking clients, significant increase in credit risk is assessed by referencing the nature and the level of collateral against which credit is extended.

Stage 3 - Credit-impaired (or defaulted) exposures

Financial assets that are credit-impaired (or in default) represent those that are 90 days past due in respect of principal and/or interest.

3.6 Collateral valuation

To mitigate its credit risks on financial assets, the Company seeks to use collateral, where possible. The collateral consists of cash, securities, letters of credit/guarantees, real estate, receivables, inventories, other non-financial assets and others. Collateral, unless repossessed, is not recorded on the Company's Balance Sheet. However, the fair value of collateral affects the calculation of ECL.

The Company calculates ECL either on a collective or an individual basis.

Stage 3 assets are individually assessed for impairment.

For Stage 1 & Stage 2 assets, the Company calculates ECL on a collective assessment on the principles laid down in the Note 3.5.2 above.

3.7 Employee Benefits

3.7.1 Provident Fund

The Company contributes provident fund amount to Regional Provident Fund Commissioner's Office (EPFO) for all its eligible employees. The contributions are accounted for on an accrual basis and recognised in the Statement of Profit and Loss.

3.7.2 Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods. This benefit is discounted to determine the present value of the obligation under the defined benefit plan.

The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit Credit Method which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on government securities as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in Other Comprehensive Income under the Statement of Profit and Loss.

for the year ended 31 March 2025

3.7.3 Deferred Shares and Sharesave Awards:

The eligible employees of the company have been granted share awards (settled in shares or cash) of the ultimate holding company, SCPLC, under the 2023 Standard Chartered Sharesave Plan, and 2021 Standard Chartered Share Plan.

For all deferred shares and Sharesave awards, the expense is recognised over the period from the date of grant to the vesting / maturity date.

3.7.4 Compensated Absences

The Company recognises cost of compensated absences equal to certain number of days of employee's annual leave quota that is allowed to be carried forward to the next period. Only in the event of employee leaving the organisation the earned annual leave will be prorated to the last date of employment and will be encashed.

Other accounting policies

3.8 Write-offs

The gross carrying amount of a financial asset is written-off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. However, for financial assets that are written off any recoveries made are recognised in statement of profit or loss subject to the outcome of enforcement activities under the Company's recovery procedures, taking into account legal advice wherever appropriate.

3.9 Foreign currency transactions

Transactions in foreign currencies are initially recorded in the functional currency at the spot exchange rate ruling as at the date of the transaction.

Assets and Liabilities of the Company are presented in INR which is also the functional currency of the Company.

Monetary assets and liabilities denominated in foreign currencies are retranslated into the functional currency at the spot rate of exchange at the reporting date. All differences arising on revaluation are taken to other income/expense in the Statement of Profit and Loss.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition.

3.10 Leasing

As a Lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

for the year ended 31 March 2025

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate.

When the company revises its estimate to the term of any lease, it adjusts the carrying amount of the lease liability to reflect the payments to make over the revised term, which are discounted using a revised discounted rate. The carrying value of lease liabilities is similarly revised when the variable element of future lease payments dependent on a rate or index is revised, except the discount rate remains unchanged. In both cases an equivalent adjustment is made to the carrying value of the right-of-use asset, with the revised carrying amount being amortised over the remaining (revised) lease term. If the carrying amount of the right-to-use asset is adjusted to zero, any further reduction is recognised in statement of profit and loss.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The rental charges paid for lease agreements that don't qualify as a lease under Ind AS 116 i.e., low value or short term leases are recognised as a rent expenses in the statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

3.11 Recognition of income and expense

Revenue (other than for those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable.

Fees and commissions charged for services provided or received by the Company are recognised on an accrual basis when the service has been provided or significant act performed and are amortised over the tenure of underlying assets/liabilities depending on case may be.

3.12 Finance Costs

Borrowing costs (Including transactional cost incurred) are recognised using the EIR (Refer Note 3.1).

3.13 Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash balances with banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

for the year ended 31 March 2025

3.14 Property, plant and equipment (PPE)

PPE are carried at cost of acquisition less accumulated depreciation and impairments, if any. Acquisition cost includes all expenses incidental to the acquisition of the PPE and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is provided on straight-line method over estimated useful life of the asset, as per the management's internal assessment, subject to minimum useful life prescribed under the Companies Act, 2013. PPE is de-recognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of asset is calculated as the difference between net sales proceeds and the net carrying amount as on the date of sale is recognised in other income/expense in the statement of profit or loss in the year it is derecognised. The depreciation rates are as follows:

PPE	Useful life of asset
Computer Hardware	3 years
Office equipment	5 years
Furniture	5 years
Premises	50 years
Leasehold Improvements	Over the tenure of Leasehold property
Motor Vehicle	3 years

3.15 Intangible Assets

Intangible assets (computer software) are capitalised based on the cost incurred to acquire or develop and put to use. These costs are amortised over the expected useful lives, subject to a maximum of three years.

3.16 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired due to events or changes in circumstances indicating that their carrying amounts may not be realised. If any indication exists the Company estimates the assets recoverable amount. If the recoverable amount is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

3.17 Provisions and Contingencies

The Company recognises a provision when there is a present obligation as a result of past events that probably requires an outflow of resources embodying economic benefits and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

for the year ended 31 March 2025

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognised nor disclosed in the financial statements.

3.18 Taxes

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

3.18.1 Current Tax

Current tax expense is recognised on an annual basis under the taxes payable method, based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with the Income Tax Act, 1961.

The promulgated Taxation Laws (Amendment) Ordinance 2019 has inserted section 115BAA in the income Tax Act 1961 providing existing domestic companies with an option to pay tax at concessional rate of 22% plus applicable surcharge & cess. Once exercised, such an option cannot be withdrawn for the same or subsequent AYs. These financial statements are prepared on the basis that the Company has availed the option to pay income tax at the lower rate.

3.18.2 Deferred Tax

Deferred tax is provided on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted as at the balance sheet date, and that are expected to apply when the related deferred tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised where it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Current and deferred tax relating to items which are charged or credited directly to equity, is credited or charged directly to equity and is subsequently recognised in the income statement together with the current or deferred gain or loss.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company can control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in entity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same tax authority.

for the year ended 31 March 2025

3.18.3 Goods & Services Tax (GST)

Expenses and assets are recognised net of the goods and services tax paid, except when the tax incurred on a purchase of asset or services is not recoverable from the tax authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as a part of the expense item, as applicable.

3.19 Dividend on equity shares

Dividends are not recognised as a liability until they have been declared (i.e. appropriately authorised by the Board of Directors and not at the discretion of the Company).

3.20 Segmental reporting

The Company's segmental reporting is in accordance with Ind AS 108 Operating Segments and is reported consistent with the internal performance framework and as it is presented to the Company's CEO and Managing director i.e. the chief operating decision maker. Accordingly, there is one business segment pertaining to lending and ancillary activities and also the business operations are concentrated in India.

3.21 Earnings per share

The basic EPS is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reporting year.

Number of equity shares used in computing diluted EPS comprises the weighted average number of shares considered for deriving basic earnings per share and weighted average number of equity shares, which would have been issued on the conversion of all dilutive potential shares. In computing, diluted EPS only potential equity shares that are dilutive are included.

30. Risk management

a. Risk management structure

The Company has adopted Enterprise Risk Management Framework of SCB group and follows an integrated risk management approach with regards to risk identification, assessment, mitigation and monitoring strategy and risk appetite which is approved by its Board of Directors. The Board is supported by the Executive Risk Committee and the Credit committee for monitoring the overall risk process within the Company.

The Executive Risk Committee (ERC) and Credit Committee (CC) has the overall responsibility for the development of the risk strategy and implementing principles, frameworks, policies and limits. The Credit Committee is further responsible for managing portfolio risk decisions and monitoring risk levels.

The Company's Asset Liability Committee (ALCO) is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Company.

b. Risk Culture

A healthy risk culture indicates the Company's ability to identify and assess current and future risks, openly discuss and take prompt actions. The Company expects all employees engaged in, or supporting, revenue generating activities to demonstrate the highest level of integrity by being transparent and proactive in disclosing and managing all types of risks. The people in control functions should adopt a constructive and collaborative approach in providing oversight and challenge and take decisions in a clear and timely manner.

for the year ended 31 March 2025

The Company expects everyone to be accountable for their decisions and feel safe using their judgment to make these considered decisions.

Three Lines of Defence

The Company applies a three Lines of Defence (LOD) model for the day-to-day risk management activities and control framework.

SC Capital applies a three Lines of Defence ("LOD") model to the day-to-day risk management activities and control framework.

First line: comprising of the businesses and functions engaged in or supporting revenue generating activities that own and manage the risks.

Second line: comprising of the control functions independent of the First Line that provide oversight and challenge of risk management to provide confidence to the CRO, the Executive Company and the Board.

Third line: comprising of the group controllership function to provide independent assurance on the effectiveness of controls that support First Line's risk management of business activities, and the processes maintained by the Second Line.

Principal Risk Types

ERMF covers management of various Principal Risk Types (PRTs) which are inherent in our strategy and business model. PRTs comprise of Credit, Operational & Technology, Conduct, Financial Crime and Compliance, Liquidity, Information & Cyber Security , Reputational & Sustainability (ESG) and Traded and Treasury Risk

Principal Risk Type	Monitoring and Management
Credit - Potential for loss due to the failure of a counterparty to meet its agreed obligations to pay the Group.	The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for geographical and industry concentrations and monitors exposures in relation to such limits.
Traded - Potential for loss resulting from activities undertaken by the Group in financial markets.	The Company has investments in Government securities only and control this trading portfolio and activities to ensure that traded risk losses (financial or reputational) do not cause material damage to the Company.
Treasury – Capital: Potential for insufficient level, composition or distribution of capital to support our normal activities. Liquidity: Risk that we may not have sufficient stable or diverse sources of funding to meet our obligations as they fall due.	The Company maintains a strong capital position including the maintenance of management buffers sufficient to support its strategic aims and hold an adequate buffer of high-quality liquid assets to survive extreme but plausible liquidity stress scenarios. Company also closely monitors capital adequacy levels and maintains ensure sufficient buffer against regulatory limits.
	The Company has adopted liquidity risk framework as required under RBI regulation. The Company follows the criteria laid down by RBI for calculation of Liquidity coverage Ratio (LCR) which is represented by the ratio "Stock of HQLA" divided by "Total Net Cash Outflows over the next 30 calendar days". LCR seeks to ensure that the Company has an adequate stock of unencumbered High-Quality Liquid Assets (HQLA) that can be converted into cash easily and immediately to meet its liquidity needs under a 30-day calendar liquidity stress scenario.

for the year ended 31 March 2025

1/	
Operational and Technology - Potential for loss resulting from inadequate or failed internal processes, technology events, human error, or from the impact of external events (including legal risks).	The Company aims to control operational risks to ensure that operational losses (financial or reputational), including any related to conduct of business matters, technology events do not cause material damage to the Standard Chartered Brand Image.
Reputational and Sustainability - Potential for damage to the franchise (such as loss of trust, earnings or market capitalization), because of stakeholders taking a negative view of the Group through actual or perceived actions or inactions, including a failure to uphold responsible conduct or lapses in our commitment to do no significant environmental and social harm through our client, third party relationships, or our own operations.	The Company aims to protect the Standard Chartered Brand Image from material damage to its reputation by ensuring that any business activity is satisfactorily assessed and managed by the appropriate level of management and governance oversight.
Compliance - Potential for penalties or loss to the Company or for an adverse impact to our clients, stakeholders or to the integrity of the markets we operate in through a failure on our part to comply with laws, or regulations.	The Company has no appetite for breaches in laws and regulations, whilst recognizing that regulatory non-compliance cannot be entirely avoided the Company strives to reduce this to an absolute minimum.
Information and Cyber Security - Risk to the Group's assets, operations and individuals due to the potential for unauthorised access, use, disclosure, disruption, modification, or destruction of information assets and/or information systems.	The Company seeks to avoid risk and uncertainty for its critical information assets and systems and has a low appetite for material incidents affecting these or the wider operations and reputation of the Company.
Financial Crime - Potential for legal or regulatory penalties, material financial loss or reputational damage resulting from the failure to comply with applicable laws and regulations relating to International Sanctions, Anti-Money Laundering, Anti-Bribery & Corruption, and Fraud.	The Company has no appetite for breaches in laws and regulations related to Financial Crime, recognising that whilst incidents are unwanted, they cannot be entirely avoided.

c. Risk Appetite:

The Risk Appetite is defined as "the approved boundary for the risk that the Group is willing to undertake to achieve the Company strategic objectives and Corporate Plan". It is set within the Risk Capacity which is defined as "the maximum level of risk the Company can assume, given its current capabilities and resources, before breaching constraints determined by capital and liquidity requirements, internal operational environment, or otherwise failing to meet the expectations of regulator and law enforcement agencies." In line with this approach, Company has defined Risk appetite thresholds within each PRTs. Risk Appetites are approved by Board and regularly reviewed by ERC.

The RA includes:

- Company Risk Appetite Statements (RAS) for the PRTs, based on materiality and significance for Board level
- RA metrics and thresholds for strategic areas.

d. Risk Identification and Mitigation

Further, the company identifies and measures its different risks through identification of key Principal Risks Types (PRTs) that are inherent to its business strategy and model. The different PRTs are managed through distinct Risk Type Frameworks (RTFs) that document the overall risk management approach for the respective PRTs. The PRTs are monitored on an ongoing basis by the ERC.

^{*} Others include Amortisation of discount on CP and Net Accrued Interest.

32. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

Fair value Hierarchy

Level 1: Fair value measurements are those derived from unadjusted quoted prices in active markets for identical assets or liabilities.

for the year ended 31 March 2025

Level 2: Fair value measurements are those with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

Level 3: Fair value measurements are those where at least one input which could have a significant effect on the instrument's valuation is not based on observable market data.

Valuation methodologies of financial instruments not measured at fair value:

The Company has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, loans, trade payables, debt securities, borrowings, other financial assets, other financial liabilities and off-balance sheet item are a reasonable approximation of their fair value and hence their carrying values are deemed to be fair values.

The nature of products across these broad product categories are either unsecured or secured by collateral. Although collateral is an important risk mitigant of credit risk, the Company's practice is to lend on the basis of assessment of the customer's ability to repay rather than placing primary reliance on collateral. Based on the nature of product and the Company's assessment of the customer's credit risk, a loan may be offered with suitable collateral. Depending on its form, collateral can have a significant financial effect in mitigating the Company's credit risk. The main types of collateral across various products obtained are as follows:

Product Group	Nature of Securities
Loan against Securities	Pledge of equity shares and mutual funds etc.
Loan against Property	Mortgage of residential and commercial properties
Commercial Lending (Term Loan)	Hypothecation of plant and machinery, book debts and mortgage of lands, residential and commercial/projects properties.

The Company periodically monitors the market value of collateral and evaluates its exposure and loan to value metrics for high-risk customers. For its loan against securities business, the Company recoups shortfall in value of securities through part recall of loans or additional securities from the customer, or sale of underlying securities.

The objective of investment being both to hold the instrument to collect cash flows and to sell for liquidity purpose to be measured at FVTOCI.

		(INR Lacs)
Description	31 March 2025	31 March 2024
Financial Assets at FVOCI – Level 1 (Investments In TBills)	29,157	26,194

The following method and assumptions were used to estimate the Fair Values

(i) The Fair Value of quoted investment are based on Market price/ Net Asset Value at the reporting date.

33. Interest Rate Sensitivity:

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The sensitivity of the statement of profit and loss is the effect of the assumed changes in interest rates on the profit or loss for a year, based on the floating rate financial assets

for the year ended 31 March 2025

and financial liabilities held at 31 March 2025. The Company is exposed to interest rate risk arising from its, borrowings, debt securities, and loan portfolio.

(INR Lacs)

	% Increase/De	crease in rate	Increase/Decrease in profit		
P&L Impact	31 March 2025	31 March 2025 31 March 2024		31 March 2024	
Borrowings* that are re-priced	1.0%	1.0%	(2,795)	(2,809)	
Loans that are re-priced	1.0%	1.0%	8,058	7,316	

^{*}Only floating rate borrowing instruments are included for interest rate sensitivity analysis

34. Earnings per share (EPS)

The computation of EPS is set out below:

Description	2024-25	2023-24
Net profit (gross of transfer to statutory reserve) attributable to equity shareholders (INR Lacs)	20,532	15,535
Weighted average number of equity shares (in Lacs) outstanding during the year for calculation of earnings per share	5,426	5,274
Basic and Diluted Earnings per share of face value of INR 10	3.78	2.95

The basic and diluted EPS is same as there are no potential dilutive equity shares.

35. Expenditure in foreign currency

(INR Lacs)

Particulars	31 March 2025		31 March 2024	
Faiticulais	USD	INR	USD	INR
Payable	6.8	548	0.4	34
Expenditure	8.6	770	0.6	44

36. Income taxes

Income Taxes relating to continuing operations -

36.1 Income Tax recognized in profit or loss:

Particulars	2024-25	2023-24
Current Tax		
In respect of the current year	7,027	5,624
In respect of prior years	(18)	(137)
Deferred Tax		
In respect of the current year	57	(22)
Total Income tax expense recognised in the current year relating to continuing operations	7,066	5,465

for the year ended 31 March 2025

36.2 Reconciliation of Tax expense with previous years is as follows:

(INR Lacs)

Particulars	2024-25	2023-24
Profit before tax	27,598	21,000
Income tax expense calculated at 25.174%	6,948	5,285
Effect of expenses that are not deductible in determining taxable profit	-	59
Impact on account of reversal of Bad and Doubtful Debt provision	-	258
Tax provision for earlier years	40	(137)
Income tax expense recognised in statement of profit and loss	6,987	5,465

The tax rate used for the reconciliations above is the corporate tax rate of 25.174% for the year 2024-25 and 2023-24 payable by corporate entities in India on taxable profits under tax law in Indian jurisdiction.

The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and it is expected to be effective in near future.

for the year ended 31 March 2025

39.4 Restricted / Deferred Share Units and Sharesave Scheme:

Restricted / Deferred stocks & Share save units of the Company's Ultimate Parent Company, Standard Chartered PLC, are granted to the eligible employees of the Company in terms of the global incentive compensation & Share save plans of the Ultimate Parent Company. These restricted / deferred stocks & Share save units generally vest in one to three years beginning from the grant date.

During the year ended March 31, 2025 1,628 numbers of restricted / deferred stocks & Share save units were granted (Previous Year ended March 31, 2024 31,174 numbers) and the average estimated fair value per unit on the date of grant was US\$ 14.95 (Previous year – US\$ 7.21).

Payments to and provisions for employees for the year includes INR 221 Lacs (Previous year – INR 35 Lacs) towards these awards.

The liability towards restricted / deferred stocks & Share save units recognized as at March 31, 2025 is INR 192 Lacs (as at March 31, 2024 – INR 26 Lacs).

40 Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED')

The Company had requested its supplier to confirm the status so as to whether they are covered under the Micro, Small and Medium Enterprises Development Act, 2006 and is in the continuous process of obtaining such confirmation from its suppliers. The disclosure relating to unpaid amount as at the year-end together with interest paid/ payable as required under the said Act have been given to the extent such parties could be identified on the basis of the information available with the Company regarding the status of the suppliers under MSMED Act, 2006.

(INR Lacs)

Particulars	31 March 2025	31 March 2024
a) The principal amount and the interest due		
thereon (to be shown separately) remaining unpaid	4	_
to any supplier at	4	1
the end of each accounting year		
b) The amount of interest paid by the buyer in terms		
of section 16 of the Micro, Small and Medium		
Enterprises		
Development Act, 2006, along with the amount of the	-	-
payment made to the supplier beyond the appointed		
day		
during each accounting year		
c) The amount of interest due and payable for the		
period of delay in making payment (which have been		
paid but		
beyond the appointed day during the year) but without	1	1
adding the interest specified under the Micro, Small		
and		
Medium Enterprises Development Act, 2006		
d) The amount of interest accrued and remaining	1	2
unpaid at the end of each accounting year; and	<u>'</u>	2
e) The amount of further interest remaining due and		
payable even in the succeeding years, until such date		
when the		
interest dues above are actually paid to the small	3	2
enterprise, for the purpose of disallowance of a	3	
deductible		
expenditure under section 23 of the Micro, Small and		
Medium Enterprises Development Act, 2006		

The aforementioned is based on responses received by the Company to its inquiries with suppliers with regard to applicability under the said Act. This has been relied upon by the auditors.

for the year ended 31 March 2025

42 Support service charges

SCB India incurs expenditure on support functions like Property, Human Resources, Taxation, Legal, Information Technology, etc., which is for the common benefit of it and other Standard Chartered Group companies in India. Such costs are recovered from the Company and other Standard Chartered Group companies based on identifiable criteria. This expenditure is disclosed as Support Service Charges by the Company and it is amounting to INR 346 Lacs for the year ended 31 March 2025 and INR 294 Lacs for the year ended 31 March 2024.

43 Business support cost

SCGBS provides a wide range of services like banking operations, finance and accounting services, IT service, etc to other Standard Chartered Group companies. SCGBS issues monthly invoices whereby the cost is based on the agreed cost per full time employee and cost per transaction in case of accounting operations. Such expenditure is disclosed as business support cost amounting to INR 168 Lacs for the year ended 31 March 2025 and INR 179 lacs for year ended 31 March 2024.

44 Transfer pricing

The Company has established a system of maintenance of information and documents as required by the transfer pricing legislation under Sections 92-92F of the Income Tax Act, 1961.

The Company's international transactions with associated enterprises are at arm's length as per the independent accountant's report for the year ended 31 March 2025. Management believes that the Company's international transactions with associated enterprises post 31 March 2025 continue to be at arm's length and that the transfer pricing legislation will not have any impact on the financial statements particularly on the amount of the tax expense for the year and the amount of the provision for taxation at the year end.

80 Institutional set-up for liquidity risk management

Liquidity Risk is the risk that a Company may not be able to meet its short-term financial obligations due to an asset–liability mismatch or interest rate fluctuations. The Board of Directors have delegated the responsibility for ongoing balance sheet liquidity risk management to the Asset Liability Committee. The Committee reviews the Net Interest Margins, Maturity Profile and mix of the company's assets and liabilities. It articulates the interest rate view and decides on future business strategy with respect to

for the year ended 31 March 2025

interest rates. The Liquidity Coverage Ratio (LCR) is a global minimum standard to measure the Company's liquidity position. LCR seeks to ensure that the Company has an adequate stock of unencumbered High-Quality Liquid Assets (HQLA) that can be converted into cash easily and immediately to meet its liquidity needs under a 30-day calendar liquidity stress scenario. The Company has adopted liquidity risk framework as required under RBI regulation.

Disclosure on Liquidity Coverage Ratio

As per RBI guidelines no DOR.NBFC (PD) CC. No.102/03.10.001/2019-20 Dated November 04, 2019, NBFCs assets with more than Rs. 5000 cr, required to maintain Liquidity Coverage Ratio (LCR) as mentioned therein.

The Company follows the criteria laid down by RBI for calculation of Liquidity coverage Ratio (LCR) which is represented by the ratio "Stock of HQLA" divided by "Total Net Cash Outflows over the next 30 calendar days". Total expected cash outflows (stressed outflows) are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by 115% (15% being the rate at which they are expected to run off further or be drawn down). Total expected cash inflows (stressed inflows) are calculated by multiplying the outstanding balances of various categories of contractual receivables by 75% (25% being the rate at which they are expected to under-flow). However, total cash inflows will be subjected to an aggregate cap of 75% of total expected cash outflows. In other words, total net cash outflows over the next 30 days = Stressed Outflows - Min (stressed inflows; 75% of stressed outflows).

Company for purpose of computing cash outflows, have considered:

- 1. Secured wholesale funding i.e., all the contractual debt repayments,
- 2. Liquidity needs (e.g., collateral calls) related to financing transactions,
- 3. Currently undrawn committed credit and liquidity facilities,
- 4. Any other contractual outflows not captured elsewhere in the template i.e., operational expenditure.

Cash Inflows comprises of:

- 1. All other assets i.e., expected receipt from all performing loans,
- 2. Lines of credit Credit or liquidity facilities or other contingent funding facilities that the NBFC holds at other institutions for its own purpose (Facilities which are sanctioned but not yet disbursed).

HQLA is considered as per RBI guidelines.

The Company exceeds the regulatory requirement of LCR which mandated maintaining 100% of expected net cash outflows for next 30 days in a stressed scenario in high quality liquid assets (HQLA) by December 2024. During quarter ended June 2024, September 2024, December 2024 and March 2025 the Company maintained a LCR of 121%, 125%, 138% and 169% respectively well in excess of the RBI's stipulated norm of 100%.

Qualitative Disclosure

a) The main drivers of our LCR results and the evolution of the contribution of inputs to the LCR's calculation over time:

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same.

b) The composition of HQLAs: The Company, for the year ended 31 March 2025, had average HQLA of INR 26,401 Lacs.

for the year ended 31 March 2025

High Quality Liquid Assets (HQLA)	Quarter ended 31 March, 2025 [INR Lacs]	Quarter ended 31 December 2024 [INR Lacs]	Quarter ended 30 September 2024 [INR Lacs]	Quarter ended 30 June 2024 [INR Lacs]
Cash & T Bills (Refer note (b))	24,926	23,428	23,038	24,920

c) Other inflows and outflows in the LCR calculation that are not captured in the LCR common template but which the institution considers to be relevant for its liquidity profile:

All inflows/ outflows considered relevant has been considered for LCR calculation.
